The Belfry coffee

Fuelled by

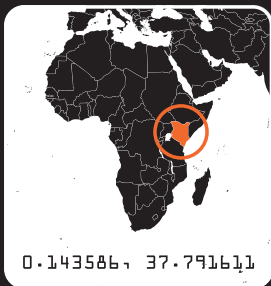

Paddy & Scott's

Fairer trade 2.0

The coffee we serve comes from the Paddy & Scott's Muchomba farm.

Location:

Meru County, Kenya

About the farm.

The farm is located 300 kilometres north of Nairobi in the shade of the eastern side of Mount Kenya. This is where we've worked with George Muchomba and his eldest son Isaac to create one of the finest coffee farms in the world. So, second star to the right, and straight on till morning.

Fancy an expedition?

Number of trees:

x6,600

Size:

acres

**So it may be the finest coffee you'll ever drink.
For the people it benefits it's life-changing.**

George.

is the Head Honcho and second generation coffee farmer. George has earned respect as an inspirational Community Leader driven to making the farm and the surrounding area a better place for everyone. He's one of the founders of the Ruiga Girls Secondary School, a proud family man, father and grandfather. We're incredibly proud to be working with.

Issac.

is the son of George and our conduit to the outside world. He believes in making his fathers farm the pinnacle of coffee agriculture in Kenya. He's the one ensuring every tree on the estate is producing damn fine coffee. Issac serves as a member of the Board of Management at the Ruiga Secondary School, a proud family man, dad and all round great guy!

The family behind the farm.

That's not all...
Their 'Lunch box' coffee provides school meals for children in coffee growing regions, so they can focus on studying and not where their next meal will come from.

100% Carbon neutral shipping. Aluminium free PET recyclable coffee packaging. Compostable paper cups and coffee bags. Therefore helping the environment.
